Child Protection Policy

It is our responsibility to ensure the safety and welfare of all the children in our care.

We have received training on safeguarding children and is aware of the signs and symptoms of child abuse, physical, emotional and sexual, and those of neglect.

If we have reason to believe that any child in our care is being abused in any way, we will report the matter to the appropriate authorities. Under this circumstance, we will not be able to keep information relating to your child **confidential**, but will need to share it with the appropriate authorities.

If you have any concerns regarding this policy, please discuss them with the early childhood coordinator.
